

ANNUAL MEMBERSHIP FORM

2018

The town budget provides for standard library operating costs such as librarian salaries, building utilities, collection development, and basic services. But with the help of the Friends, the library is able to offer a great deal more. Services like the Museum Pass program, the WOWbrary weekly newsletter, MakerDay activities for all ages, and the Summer Reading program are all examples of the Friends of the Bolton Public Library dollars hard at work.

The Friends are totally dependent on contributions collected through our membership drive and semi-annual book sales. 100% of those contributions are used to support enhanced library services. The dedicated work of our donors and volunteers allows us to make these projects possible.

YOU make a difference! Please support the Friends of the Bolton Public Library at whatever level fits your budget. Thank you!
